Hello ,

Happy New Year and welcome to the January edition of our Digital Health & Care Innovation Centre e-newsletter.

We hope you enjoyed a relaxing festive period and are feeling rejuvenated and ready for another year of collaboration, codesign, and transforming great ideas into real digital health and care solutions!

It's time to take a break and browse the latest news and events from across the sector.

In your news

Rapid Pitch Open Challenge

Innovate how Occupational Therapy (OT) services are delivered using digital technology to support and enable new models of community-based care.

Submit your idea

A human rights approach to personal data

Read the latest DHI guest blog by Alan Mitchell, Chair of Mydex CIC who talks about it being easier to talk about these rights, than do them, and that's a problem!
