In this edition:

- Explore the new DHI website
- New Report: A Mission-Oriented Industrial Strategy for Scotland
- CivTech challenge 10.4 - Solve Seamless Data Sharing

Happy reading!

Latest News

Explore our new DHI website: Designed for innovation and impact

We are thrilled to announce the launch of our new website! Designed with you in mind, it's a one-stop destination for exploring our work in digital health and social care innovation.

Whether you're an industry professional, healthcare provider, academic, wider public sector services provider or a citizen, our redesigned site offers easier navigation, updated resources, and fresh insights into how we're driving change across Scotland's health and social care landscape.

Global Health Exhibition

Janette Hughes

Director of Planning and Performance, Digital Health & Care Innovation Centre, University of Strathclyde

21 - 23 October
Malham, Riyadh, Saudi Arabia

The graphic features a portrait of Janette Hughes, a woman with shoulder-length brown hair, wearing a dark blue textured blazer over a patterned top. The background is a vibrant green with white geometric line art. The text is arranged in a clean, modern layout with a mix of white and blue colors.

The Global Health Exhibition 2024

We're delighted to have our Director of Planning and Performance, Janette Hughes, representing DHI at the Global Health Exhibition 2024. With over 20 years of experience leading major UK R&D initiatives, she brings invaluable expertise to the event.

The exhibition offers a prime opportunity to connect with industry leaders, potential buyers, policymakers, and expert lab professionals. Join us in addressing healthcare's most pressing challenges through collaboration and innovation in one of the world's most dynamic healthcare landscapes.
