Digital Health & Care Innovation Centre

Hello ,

Welcome to the latest edition of our Digital Health & Care Innovation Centre e-newsletter.

It's time to take a break and browse the latest news and events from across the sector.

This month keep an eye out for:

1. Our upcoming webinar to launch our latest research report "How to navigate the digital shift in healthcare? An international review and analysis of frameworks supporting digital work for frontline healthcare staff"
2. A great New Funding Finder from our friends at the Data Lab
3. NHS Scotland PIN for a 'once for Scotland' digital diabetes solution

Happy reading!

In your news

Innovation at the heart of the Scottish economy

First Minister Humza Yousaf has announced long-term funding to ensure innovation continues to grow and support Scotland's economy.

Annual funding of up to £8 million has been allocated to the Scottish Innovation Centres, delivered through the Scottish Funding Council (SFC).
