Hello, <<First Name>>

Welcome to the latest Digital Health & Care Innovation Centre (DHI) e-newsletter edition.

Take a moment to explore the latest news, events, and insights shaping the digital health and social care sector.

In this edition:

- DHI Phase 2 - Year 5 Annual Report
- DHI is hosting 2 virtual satellite sessions as part of DigiFest2024
- The Moray Wellbeing Hub secures funding from UKRI

Happy reading!

Latest News

DHI Phase 2 - Year 5 Annual Report

We are proud to release our Phase 2 – Year 5 Annual Report. This document outlines the significant progress we have made over the past year at the Digital Health & Care Innovation Centre.

Highlights of our year include: securing a 10-year infrastructure commitment from the Scottish Funding Council; establishing and strengthening partnerships with key stakeholders and playing a pivotal role in shaping national digital health policies and strategies, such as the Scottish Government's 'Digital and Data Capability Framework'.

The Moray Wellbeing Hub secures funding from UKRI delivered by the Young Foundation

We are delighted to share that the Moray Wellbeing Hub has secured funding from UKRI delivered by the Young Foundation as part of an initiative to help create sustainable community research networks in the Moray region.

As the only Scottish network selected, it will leverage the knowledge and experiences of Moray's diverse rural community to foster and sustain mental wealth for all. We are proud to see the Rural Centre of Excellence and Moray Wellbeing Hub at the forefront of this important initiative.
