Hello ,

Welcome to the latest edition of our Digital Health & Care Innovation Centre e-newsletter.

It's time to take a break and read your latest news and events from across the sector.

In your news

MINDSET Programme

The Digital Health & Care Innovation Centre was commissioned by UKRI to inform Workstream 2 of the £20m MINDSET Programme, a “*test and trial a platform for the distribution and procurement of mental health and wellbeing XR experiences, products and solutions*”.

XR has been defined by UKRI as referring to "Extended Reality and covers Augmented Reality (AR), Mixed Reality (MR), Virtual Reality (VR), haptics, interfaces, platforms and software and will often be referred to as immersive technologies".

New Master's Scholarship Funding Now Available

Apply For Master's Funding

The Digital Health and Care Innovation Centre (DHI) has 19.5 full-time equivalent Master's Scholarships in digital health and care available for students starting their course in the 2023-24 academic year. Funded by the Scottish Funding Council (SFC), the scholarships are valued at £7,387 per place and will be awarded on a fee-waiver basis to eligible students.

The scholarships are designed to support the development of future talent in the digital health and care sector. To be eligible, students must align their Master's to one of the DHI Strategic Themes.

The deadline for a September start is **Friday 30 June 2023**.
