

Digital Health & Care Innovation Centre

[Who we are](#) | [DHI Exchange](#) | [Join our network](#) | [Archive](#)

Hello ,

Welcome to the latest edition of our Digital Health & Care Innovation Centre (DHI) e-newsletter.

Let's pause for a moment to catch up on the latest news and events from across the sector.

In this edition, look out for:

- Intelligent Systems for Frailty Workshop
- Master's Scholarships in Digital Health and Care
- Research and Development Lead - NHS Forth Valley

Happy reading!

In your news

Industry Opportunities in the Digital Health and Social Care Sector Event

Join the Digital Health & Care Innovation Centre (DHI) for an in-person event in our office and demonstration and simulation environment as part of Glasgow Tech Fest 2024.

Discover what makes DHI unique and enables us to pioneer innovation in the digital health and care sector. Network with members of our team and explore the latest emerging trends, DHI's vision for the next 10 years, and learn how you can collaborate with us to take advantage of this market, which has a global growth estimated to reach over \$700 billion by 2030.

Master's Scholarships in Digital Health and Care

DHI is excited to offer scholarships for Master's studies in Digital Health and Care, funded by the Scottish Funding Council. The program is designed to support 14.5 full-time equivalent students starting their courses in September 2024 or January 2025, with each scholarship valued at £7,775.

These scholarships are an excellent opportunity for aspiring professionals in digital health and care to advance their education and career. Interested candidates must submit their expressions of interest by the end of May and complete their applications by

June 30, 2024.

For additional information or to address inquiries, please contact scholarships@dhi-scotland.com or attend one of our information sessions on May 8th and 22nd.
